ADDITIONAL DETAILS

VERSATILITY VIP

The 8-Series- No. 1 Selling Cushion Forklift features major enhancements that improve every aspect of lift truck operation. The machine that put Toyota forklifts on the map, is the one to depend on to get it done; whatever your "it" is. Whether your operation is warehousing and distribution, manufacturing, retail or automotive, the Toyota Core IC Cushion is equally at home in any of these environments; with the versatility and material-handling capabilities to get more done when you need it most. It is no surprise; this is one of the most popular forklifts in North America.
