ADDITIONAL DETAILS

Superior Performance

Loadmac believes you deserve the very best in performance, reach and power. Founded in 2007, Loadmac has raised the bar when it comes to truck mounted forklifts. Their patented iSR (Integrated Second Reach) system can reach the full width of a trailer bed and is capable of double stacking your product. With an array of improvements over the years, the Loadmac is the most compact one-side offload solution in the world.
