

BAUMANN ELX ELECTRIC SIDELOADERS

KEY FEATURES

- **SERIES:** ELX 30 - 50
- **MAKE:** Baumann
- **MODEL:** ELX
- **CAPACITY:** 6,500-11,000lbs
- **FEATURE ONE:** 30% Increased 120V Battery Performance
- **FEATURE TWO:** Load Sensing Lift Pump

ADDITIONAL DETAILS

COMPACT. LIGHTWEIGHT. INTELLIGENT

In developing the ELX range the goal was to produce a highly efficient and durable machine capable of working in demanding applications.

Electrics offer zero emissions, are cheaper to run and maintain, as well as offer a better operator environment.
